

# Pocket Record™

## Helpful Hints

Congratulations on your purchase of Pocket Record™. Anatek's Pocket Products™ are the ultimate in MIDI accessory convenience: compact, simple to use, and require no batteries or external power supply.

### FEATURES

- 15,000 event, single-track MIDI recorder
- Records all 16 MIDI Channels at the same time
- Simultaneously records Note & System Exclusive data
- Easy to use 3-Position Control Bar
- Retains data for 4 HOURS without power or batteries
- Optional BATTERY PLUG retains data indefinitely for the life of the battery
- Hands-free footswitch control (automatically adjusts to normally-open or normally-closed footswitches)
- Audible fast-forward feature
- Built-in metronome (LED & Sound)
- Metronome time signature settings from 2/4 to 16/4
- Software THRU (master keyboard output merged with sequencer output)
- Seamless-loop feature
- Tempo range from 40 to 280 Beats Per Minute (BPM)
- Tempo can be tapped from keyboard, footswitch, or CONTROL BAR
- Supports MIDI Clock and START/STOP/CONTINUE commands
- Automatic INTERNAL/EXTERNAL SYNC switching
- Compact and lightweight
- Can be used with Velcro or double-sided tape to attach Pocket Record™ to a keyboard or to other Pocket Products™

### APPLICATIONS

- Use as a single-track MIDI "notepad"
- Take Pocket Record™ on the road, and leave your computer system at home
- Use as an accompaniment tool for home pianos
- Piano instructors can use Pocket Record™ to allow students to record "MIDI Homework"
- Save countless dollars on memory cards by dumping up to 30k of System Exclusive Data
- Use Pocket Record™ to port data between incompatible sequencers
- Trade patches & sequencer data with friends
- Use as a portable demonstration tool
- Expand sequencer memory by slaving Pocket Record™ to an existing sequencer
- Store parameter settings from Multi-Effects Processors

### OTHER PRODUCTS

#### LIMITED WARRANTY

Anatek Microcircuits Inc. warrants this product to be free from manufacturer's defects for a period of ONE YEAR from the date of purchase. This warranty is void if the unit is opened or tampered with, if the unit is immersed in any liquid, or if the unit is connected to any device that does not meet standard MIDI specifications. Should the product prove to be defective within the warranty period, Anatek shall repair or replace the unit at our election and sole expense (with the exception of shipping, which Anatek will pay one way). Anatek makes no other warranties, express or implied, including, but not limited to, any implied warranties of merchantability or fitness for a particular purpose. In no event shall Anatek be liable for loss of profits or benefits, indirect, special consequential or other similar damages arising out of any breach of this warranty or otherwise.
