

Pocket TRANSPOSE™

Helpful Hints

Congratulations on your purchase of Pocket TRANSPOSE™. Anatek's Pocket Products™ are the ultimate in MIDI accessory convenience: compact, simple to use, and require no batteries or external power supply.

FEATURES

- Requires no batteries or AC adaptors
- Inline 16 Channel MIDI Transposer
- Separate transpose intervals for each MIDI Channel
- Transpose key signature and/or octave
- ±5 Octave transpose range
- Hands-free footswitch control (automatically adjusts to normally-open or normally-closed footswitches)
- 'On-the-fly' switching between normal and transposed settings
- Non-transposed data is passed, including: controllers, MIDI Clock, System Exclusive (Sys-Ex), and MIDI Time Code (MTC)
- Transposed and original data can be combined for harmonization effects
- Uses ultra-fast data handling technology
- Works with all Pocket Products™
- Compact and lightweight
- Can be used with Velcro and double-sided tape to attach Pocket Transpose™ to a keyboard or to other Pocket Products™

APPLICATIONS

- Use on keyboards that lack a transpose function
- Use on keyboards whose transpose function is too awkward for live set-ups
- Expand or shift octave range on master keyboards
- Transpose notes on the fly for "capo" effects
- Transpose each string from a guitar synth
- Try different arrangements without altering sequencer data
- Play 2-voice harmonies from a single key by combining transposed and original data.

OTHER PRODUCTS

Anatek's Pocket Product™ line includes: Pocket Merge™, Pocket Filter™, Pocket Pedal™, Pocket THRU™, Pocket Transpose™, Pocket Record™, Pocket Panic™, Pocket Split™, and Pocket Channel™ — with more Pocket Products™ to be released soon. LIMITED WARRANTY

Anatek Microcircuits Inc. warrants this product to be free from manufacturer's defects for a period of ONE YEAR from the date of purchase. This warranty is void if the unit is opened or tampered with, if the unit is immersed in any liquid, or if the unit is connected to any device that does not meet standard MIDI specifications. Should the product prove to be defective within the warranty period, Anatek shall repair or replace the unit at our election and sole expense (with the exception of shipping, which Anatek will pay one way). Anatek makes no other warranties, express or implied, including, but not limited to, any implied warranties of merchantability or fitness for a particular purpose. In no event shall Anatek be liable for loss of profits or benefits, indirect, special consequential or other similar damages arising out of any breach of this warranty or otherwise.
