

Power Pack™

Helpful Hints

Congratulations on your purchase of Power Pack™. Anatek's Pocket Products™ are the ultimate in MIDI accessory convenience: compact, simple to use, and require no batteries or external power supply. All Pocket Products are designed to conform to MIDI Specification Version 4.0; however, other manufacturers may neglect to meet these specifications, and in certain instances, Pocket Products™ can not be properly powered. Power Pack™ alleviates these problems without costly modifications to other manufacturer's equipment.

FEATURES

- Inline MIDI IN, MIDI OUT power supply
- Works with all Pocket Products™
- Power is supplied by any 9-18 Volt AC/DC adaptor (user-supplied)
- Power input accepts 6.0mm O.D. coaxial plug
- Automatic polarity switching
- Fully-regulated supply ensures power integrity
- Powers Pocket Products™ anywhere in the MIDI chain
- Buffered output cleans-up MIDI data
- Passes all MIDI data, including: note information, controllers, MIDI Clock, System Exclusive (Sys-Ex), and MIDI Time Code (MTC)
- Compact and lightweight
- Can be used with Velcro or double-sided tape to attach Power Pack™ to a keyboard or other Pocket Products™

APPLICATIONS

- Powers Pocket Products™ when used with devices that do not conform to the MIDI Specification by failing to ground the MIDI OUT jack
- Boosts power when using more than 4 Pocket Products™ in a row
- Powers Pocket Products™ when used with devices that derive power from MIDI or serial data (i.e. some Apple Macintosh interfaces)
- Provides power to Pocket Products™ (i.e. Pocket Pedal™) when no MIDI OUT or MIDI THRU jacks are available
- When the master keyboard is turned off, Power Pack™ allows Pocket Pedal™ or Pocket Filter™ to retain their channel settings.

OTHER PRODUCTS

Anatek's Pocket Product™ line includes: Pocket Merge™, Pocket Filter™, Pocket Pedal™, Pocket THRU™, Pocket Transpose™, Pocket Record™, Pocket Panic™, Pocket Split™, and Pocket Channel™ — with more Pocket Products™ to be released soon. LIMITED WARRANTY

Anatek Microcircuits Inc. warrants this product to be free from manufacturer's defects for a period of ONE YEAR from the date of purchase. This warranty is void if the unit is opened or tampered with, if the unit is immersed in any liquid, or if the unit is connected to any device that does not meet standard MIDI specifications. Should the product prove to be defective within the warranty period, Anatek shall repair or replace the unit at our election and sole expense (with the exception of shipping, which Anatek will pay one way). Anatek makes no other warranties, express or implied, including, but not limited to, any implied warranties of merchantability or fitness for a particular purpose. In no event shall Anatek be liable for loss of profits or benefits, indirect, special consequential or other similar damages arising out of any breach of this warranty or otherwise.
