

Apple USB Power Adapter

Apple USB Power Adapter

Use the Apple USB Power Adapter to charge iPod or iPhone. You can also use the included cable to sync iPod or iPhone with your computer.

To charge your iPod or iPhone:

- 1 Connect the USB cable to the power adapter, and then plug the power adapter into a power outlet.

- 2 Connect iPod or iPhone to the other end of the cable. You can also connect the cable to an iPod or iPhone dock.

To charge and sync iPod or iPhone with your computer:

- Connect iPod or iPhone to your computer using the USB cable.

Safety Information

WARNING: Failure to follow these safety instructions could result in fire, electric shock, or other injury or damage.

When you use the Apple USB Power Adapter to charge iPod or iPhone, connect the USB cable to the power adapter, and then plug the power adapter firmly into the power outlet. Do not connect or disconnect the Apple USB Power Adapter with wet hands. Do not use any power adapter other than the Apple USB Power Adapter to charge iPod or iPhone.

The Apple USB Power Adapter may become warm during normal use. Always allow adequate ventilation around the Apple USB Power Adapter and use care when handling. Unplug the Apple USB Power Adapter if any of the following conditions exist:

- The USB cable has become frayed or damaged.
- The plug part of the adapter or the adapter case has become damaged.
- The adapter is exposed to rain, liquid, or excessive moisture.

- You suspect the adapter needs service or repair.
- You want to clean the adapter.

- Output: DC 5V, 1 A

For information about charging times, see the manual for your product at www.apple.com/support/manuals.

Disposal and Recycling Information

When this product has reached the end of its useful life, please dispose of it according to your local environmental laws and guidelines.

For information about Apple's recycling program, go to:
www.apple.com/environment/recycling

European Union—Disposal Information:

The symbol above means that according to local laws and regulations your product should be disposed of separately from household waste. When this product reaches its end of life, take it to a collection point designated by local authorities. Some collection points accept products for free. The separate collection and recycling of your product at the time of disposal will help conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment.

Apple and the Environment

At Apple, we recognize our responsibility to minimize the environmental impacts of our operations and products.
