

Guitar Stompboxes

DISTORTION MODELER DM100

Distortion Modeling Effects Pedal

- Get three distortion pedals in one—sound modeled after the most legendary pedals
- This BEHRINGER product has been designed to compete head to head with leading products on the market
- Dedicated Distortion, Tone and Level controls for awesome sound shaping
- Status LED for effect on/off and battery check
- Runs on 9 V battery or the BEHRINGER PSU-SB DC power supply (not included)
- First-class electronic On/Off switch for noise-free operation
- High-quality components and exceptionally rugged construction ensure long life
- 3-Year Warranty Program*
- Conceived and designed by BEHRINGER Germany

You could spend loads time tracking down the vintage stomp boxes responsible for rock's most-defining moments – and pay a lot for just one of them. But why settle for just one? Now you can have three of them in one incredibly affordable analog pedal – the incredible DISTORTION MODELER DM100!

Multiple Personalities

With the DM100, you get three immaculate fuzz flavors: D+, DS1 and RAT. Just select any one of these three classic mode settings, then dial in precisely the sound you want via the dedicated Distortion, Tone and Level dials. You won't believe your ears as rock n' roll's most-coveted tones explode from this amazing and ultra-affordable stomp box!

*Warranty details can be found at music-group.com.

Ease of Use

The status LED tells you when the DM100 is activated, and the durable on/off switch maintains crystal-clear signal integrity in bypass mode. You can power the DM100 with a 9 V battery or our PSU-SB DC power supply (not included).

Sound Value

With the DM100 in your effects chain, you'll skip run-of-the-mill tone and go straight to top-shelf. Three landmark rock n' roll tones in one incredible stomp box – that's the DISTORTION MODELER DM100. Try one at your BEHRINGER dealer today, or order yours online. Life is too short for bad tone!

You Are Covered

We always strive to provide the best possible Customer Experience. Our products are made in our own MUSIC Group factory using state-of-the-art automation, enhanced production workflows and quality assurance labs with the most sophisticated test equipment available in the world. As a result, we have one of the lowest product failure rates in the industry, and we confidently back it up with a generous 3-Year Warranty program.
