- Integrated stand mounting with 35 mm pole socket
- "Planet Earth" switching power supply for maximum flexibility (100 - 240 V~) and low power consumption for energy savings
- 3-Year Warranty Program*
- Designed and engineered in Germany

Use the extremely lightweight, yet powerful EUROPORT MPA100BT PA system to stream songs from your Bluetooth-enabled iOS device at the next company picnic, or to get your message across on the playing field. With its 100-Watt amplifier and premium 2-way speaker system, the MPA100BT provides superb sound for up to 300 people – and the rechargeable battery lasts up to 20 hours. We've even included one of our high-performance ULM300USB digital wireless microphones for a supremely easy-to-use wireless, go-anywhere PA system right out of the box!

Bluetooth Ready

The days of tape decks and CD players are long gone. Now your music lives on your smartphone or computer tablet, so you can stop searching for those outdated cables and fancy adapters. Now with a simple wave of your hand, you can stream music from any Bluetooth-equipped device such as your iPad, iPod touch, iPhone or even your laptop computer. Now, isn't that easy?

Own the Stage with Digital Wireless

You are ready to go wireless right out of the box, thanks to the included ULTRALINK ULM300USB wireless microphone system. Wireless gives you maximum freedom and mobility without the need to run cables. The highest-quality sound is provided thanks to the ULM's digital, license-free 2.4 GHz frequency spectrum.

The ULM wireless system combines professional-quality sound with simple setup and an intuitive interface for legendary audio performance. Just plug in the ULM receiver "dongle", and instantly you have an exceptional wireless mic system. Freeing you from cables is the simply easy way to own the stage.

Ultra-Portability

The great-sounding MPA100BT is amazingly-lightweight (18.7 lbs/8.5 kg) thanks to its highly efficient Class-D amplifier, and the onboard battery pack keeps the party going for up to 20 hours – without a power outlet in sight!

Built-in Mixer

Loaded with features, the MPA100BT comes equipped with an onboard 4-channel mixer with Bluetooth connectivity for streaming audio directly from your iOS device, the same ultra-low noise, high-headroom mic preamps that have made our mixers legendary – and an Aux input for that aforementioned CD player.
