

Sequel 2 Trial

Read Me First

Steinberg Media Technologies GmbH
August 2008

Welcome to the Sequel 2 Trial Version!

Thank you for using the Sequel 2 trial version. We recommend reading this file carefully. For more information about Sequel please visit:

www.sequel-music.net

Limitations of this trial version

The trial version contains a small selection of audio content from the retail version, but offers all instruments and effects.

Additional Trial Period

You can extend your trial period by another 30 days by registering. Please follow the appropriate link in the software. The second trial period will not be added to the days left in the first trial period. Please make sure not to activate your second trial period before the first period has finished.
